

Orlando Area Plant Tour

Friday, March 5, 2010

Tour embarks from Orlando Marriott at 8:00am
400 West Livingston Street, Orlando, FL

The Spring Plant Tour schedule includes four great stops:
two architectural millwork manufacturers, an architectural art glass fabricator,
and a themed-event company that creates remarkable ice sculptures.

Don't miss this opportunity to visit such a diverse group of companies.

We hope to see you there.

Tour Stops

Advanced Millwork, Inc.

Custom architectural woodworking, ranging from beautifully crafted casegoods to the latest in cutting edge and multi-material design

Signature Art Glass by Design

Architectural art glass and related glass products, specializing in design and fabrication of etching, sand-carving & kiln-formed glass

Walker Bros. Millworks, Inc.

Fine millwork, specializing in architectural-grade fire-rated solid wood door jambs

Wizard Connection

Spectacular ice sculptures and color-changing displays, tables and dance floors

Board Meeting

Thursday, March 4, 2010, Orlando Marriott

You are welcome to attend the board meeting on Thursday evening.
Check the Chapter website for meeting time and place.
