

Florida Chapter AWI

Attention all Manufacturer Members ***You can't afford to stay home!***

Great news for our Manufacturer Members during our Board of Director's Meeting held on Friday July 15th we approved a program to **both** encourage participation at our 45th Annual Change Over Celebration and to assist in decreasing dues for those Manufacturer Members who invest in attending our Change Over Celebration.

Here is the deal:

Part A: you send 2 (or more) attendees from your company and the Chapter will waive the Registration Fee for the first 2 attendees – you save \$250

Part B: and if you pay your 2011-2012 dues at the event your dues will be \$150 instead of \$400 – you save another \$250. **This is a one time offer ONLY!**

The savings for your company is \$500 and you have the opportunity to attend Change Over at a spectacular resort. You will have time to unwind, get some education and network with woodworkers from around the state. Your savings will cover your out of pocket expenses for the room rate and fuel costs – your food and seminars are included in your registration fee – *(if you stay home you'll still have to cover lodging, food and transportation; the education offered is a real bonus).*

Bring the family and your team members and spend some time with your Florida Chapter.

Looking forward to experiencing this slice of paradise with you!
